

2018 LEADVILLE TRAIL 100 MTB AND 100 TRAIL RUN

EVENT LOTTERY SELECTION RULES

Due to high demand, we are unable to accommodate everyone that wishes to register for these races. Because of this, we will conduct a lottery selection process to choose which athletes may participate in the 2017 LEADVILLE TRAIL 100 MTB AND 100 TRAIL RUN EVENTS.

- Athletes will have the opportunity to be entered into the 2017 Leadville Trail 100 MTB and Leadville Trail 100 Run from December 1st at 10 a.m. MST until December 31st at 11:59 p.m. MST. Registration for entry selection will be free of charge, but credit card information will be collected when you submit your entry and only charged if accepted into the race or if you choose to make a donation. A donation will not increase your chance of selection.
- Selection and Payment of Entry Fees. Winning entries will be selected on or about, January 14, 2017. Subject to eligibility requirements, the individuals whose names are drawn will be awarded entry into the 2017 Leadville MTB 100 Bike or 100 Run. Selected participants will be notified by email in accordance with the information supplied and participant's credit card will automatically be charged the registration fee, plus a processing fee and any add-ons selected.
- All registration fees are non-refundable and non-transferable and subject to all other terms, conditions and restrictions of the Leadville Race Series.
 - MTB -\$425.00 + applicable processing fees
 - Run - \$315.00 + applicable processing fees
- **Group Registration Details:** The group registration option is recommended for family, friends and other small groups (up to 4 members) that ONLY want to race if they can do so together. The first athlete registering will be required to create a group name. It is essential for the remaining members sign up for the group with the **group name matching exactly**. For example, if your group name is "LeadvilleBigBuckles" the group name "Leadville Big Buckles" will not work. When the drawing selection takes place, the **GROUP NAME** will be the name entered in the drawing. If the group name is selected, every member of the group will be accepted and automatically charged the \$425 registration fee (100MTB) + applicable processing fees, or \$315 registration fee (100 Run) + applicable processing fees.
 - Please note that if a member of your group has completed the LT100 MTB under the designated sub-12 hour cut-off seven or more times or they have volunteered 10+ hours in the 2017 season they will be forfeiting their guaranteed entry.
- Only one application per person. You cannot apply as an individual *and* as a member of a relay team or group. Any registration fees processed due to an individual submitting multiple applications are non-refundable and non-transferable.
- General. The entire selection and registration process shall be at the sole discretion of Life Time, whose decisions and interpretations shall be final and binding. Life Time reserves the right to cancel, terminate or suspend the selection process or the event for any reason. Life Time reserves the right, at its sole discretion, to disqualify any individual it reasonably suspects or believes to be tampering with the entry process or to be acting in violation of these rules. Life Time shall not be responsible for incomplete entries or those that are not received by Life Time by the applicable deadline for any reason.
